

CHÂTEAU PILET

Bordeaux white

white wine, 750 ml
Sémillon, Sauvignon

Origin

Bordeaux. Wine from Château PILET. Grape production, winemaking and ageing take place on the family estate.

Special features

The harvest at optimum ripeness as well as blending of Sauvignon with Semillon gives birth to an aromatic, fruity wine accented by exotic savours. The ageing of less brings complexity and roundness in the mouth and strengthens its pleasant characters.

Serve

This “pleasure wine” should be served cool at a temperature around 12°C either as a pre-dinner drink or during meals with first courses, seafood or fish.

Tasting

Lovely pale golden colour with a little hint of green. The expressive nose offers intense aromas with exotics and white flowers. Begins with a refreshing mouth that reveals an ample and harmonious flesh. Slightly lemony reach a pleasant tasting in the final.
