

PRESTIGE du CHÂTEAU PILET

Red Côtes de Bordeaux

red wine, 750 ml
Cabernet, Sauvignon

Origin

Bordeaux. Wine from Château PILET. Grape production, wine making and ageing take place on the family estate.

Special features

Coming from the same plot located on a high point of the Gironde where vine stock of Cabernet Sauvignon is planted. Its altitude and sunshine allow our Cabernets to mature very quickly and therefore gives rise to very dense and rich wine in the mouth. It is aged for a year in oak barrels to refine the tannins and give the advent of a great wine.

Serve

This wine should be served at room temperature between 18 and 20 ° C. Red wine to enjoy with food, ideal to accompany red meats and cheeses. To drink now but will beautify during aging.

Tasting

The dress is red-purple colour, enhanced by a beautiful shine. The toasted nose offers a frank expression of black fruit flavours, supported by candied notes revealing a beautiful maturity. After a broad palate, this wine shows a beautiful harmony of silky tannins and fine where red fruits mingle with toasty notes that gives a sensation of sweetness.
