

# CHÂTEAU PILET

## Bordeaux rosé

Vin rosé, 750ml  
Merlot

### Origin

Bordeaux. Wine from Château PILET. Grape production, winemaking and ageing take place on the family estate.

### Special features

The harvest at optimum ripeness, a direct pressing grape and an outstanding fermentation temperature monitoring produce an aromatic and fruity wine with a great variety of slightly acid savours. This wine is aged in less for several weeks to amplify its pleasant and enjoyable character.

### Serve

This wine should be served cool at a temperature around 12 °C. First and foremost, this an archetypal “pleasure wine” to be ideally appreciated on barbecues, tapas or exotic dishes.

### Tasting

Pretty pink dress, with hints of salmon. With a beautiful aromatic intensity, nose releases aromas of red fruits and raspberries. Generous and fruity on the palate; volume, balance and length are combined to give him all of the elegance.
